The image shows a coastal dune environment. In the foreground, there is a wide, sandy path or clearing with some sparse, dry vegetation. The path leads up a gentle slope towards a dune covered in dense, tall grass. The sky is filled with soft, white clouds. In the top right corner, there is a dark, semi-transparent oval containing white text.

A photograph of a forest path. The path is a narrow, light-colored gravel or dirt trail that runs from the foreground into the distance. It is flanked by dense vegetation. On the left side of the path, there is a large area of brown, dry pine needles or mulch. On the right side, there are low-lying shrubs and bushes, some of which are covered in bright green moss. In the background, a dense forest of tall trees is visible, including several prominent evergreen trees. The sky is overcast with grey clouds. A dark brown circular overlay is positioned in the upper left corner of the image, containing white text.
